

# Help us build... The Keeper's Walkway! Be a part of history.

Each brick comes with a certificate of authenticity!

*Purchase a brick and the light will shine on your name in perpetuity. Makes a memorable gift too!*

**History:** Cape Canaveral lighthouse was completed in 1868. It was moved during 1893 - 1894 due to erosion of the dune, to its present location. It is the only fully-operational lighthouse in the U.S. that is owned by the U.S. Air Force. The purpose of the Cape Canaveral Lighthouse Foundation Inc. is to assist the 45th Space Wing in preserving, protecting, and interpreting the lighthouse and its historical significance to the Florida Space Coast, State of Florida and our Nation. Your purchase may be made in honor of a loved one.

The brick walkways that once linked the Cape Canaveral Lighthouse with the Keeper's Cottages are being bricked in a historically accurate manner and you can be a part of this exciting project!
